

**To participants, organizers and guests of  
the 25<sup>th</sup> Anniversary Ukraine International Travel Market - UITM'2018**

**Dear participants and guests!**

I sincerely wish to congratulate participants, organizers and visitors of one of the largest events of the tourism industry of our country – Ukraine International Travel Market - UITM'2018!

For almost quarter of a century the UITM exhibition brings together professionals of the tourism business, creates favourable conditions for popularization and active development of the national tourism and strengthening of Ukraine's positions in the eyes of domestic and international partners. This, of course, strengthens position of our state in the global stage, promotes investment attraction, opens new directions for travel and development of Ukraine's tourist infrastructure.

National tourism is an important element of the economic prosperity of our country, and therefore we are very pleased that such events as UITM provide an opportunity to present domestic achievements, to establish partnerships and share experiences with foreign colleagues.

I would like to note the high level of organization of the exhibition and express gratitude to Premier Expo company for constant dedication to improvement and devotion to our common cause!

I wish all the participants and guests of UITM'2018 successful business meetings, unforgettable impressions, successes in implementing a new project and fruitful work for the benefit of Ukrainian tourism!

**With respect,**
